Remedy, for a case of Ca-  
tarrh in the Head which

**Symptoms of CATARRH**—Dull, heavy,  
headache, coming from the temples, the  
sinuses falling from the sides into the throat;  
sometimes profuse, watery, and acrid; at others,  
thick, yellowish, and bloody; sometimes  
purulent; the eyes are weak and watery; there is  
a ringing in the ears, deafness, hacking or  
coughing to clear the throat, expectoration of  
offensive matter, together with scales from ulcers;  
the voice is changed and has a "nasal"  
twang; the breath is offensive; nasal dis-  
charges are impaired, there is a sensation of dis-  
ease, with mental depression, a hacking cough  
without cause, and all the other symptoms of  
any one case. Thousands of cases annually,  
without exception, are cured by the above

and dangerous, or less understood by phy-

case of Catarrh, "Cold in the Head,"  
"Sore," and "Catarrhal Headache."

**"Tinted Agony From Catarrh."**

Prof. W. HATSENER, the famous memorialist,  
of New York City, writes: "I was con-  
tinuedly tortured agony from chronic nasal ca-  
tarrh. My family physician gave me up as  
lost, and I was told that my life would be such  
a bad one, that every day, towards sunset,  
my voice would become so hoarse I could  
not breathe through the nose. I thought  
nothing and clearing of my throat would  
do it, but no! In three months, I was a well  
told man and the cure has been permanent."

**"Constantly Hawking and Spitting."**

THOMAS J. RUSHING, Esq., 262 Pine Street,  
St. Louis, Mo., writes: "I was a recent sufferer  
from catarrh for nearly two years. I could  
hardly breathe, and was constantly hawking  
and spitting, and for the last eight months could  
not breathe through the nose. I thought  
nothing could be done for me. Luckily, I was  
advised to try Dr. Sage's Catarrh Remedy, and  
after using it about a week, I felt much better,  
only sure remedy for catarrh now manu-  
factured, and one I am only too glad to re-  
commend to you as a safe and permanent  
cure."

A complete Treatise on Catarrh, giving val-  
uable information, and containing full details  
of importance, will be mailed, post-paid to any  
address, on receipt of a two-cent postage stamp.
